

Bingo de las letras

Te presento este material para que puedas usarlo con tus alumnos de primaria o de Audición y Lenguaje.

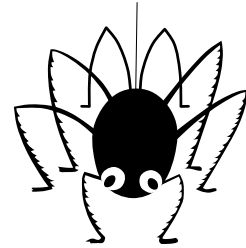

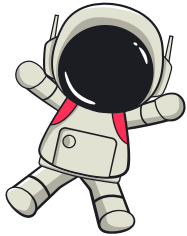

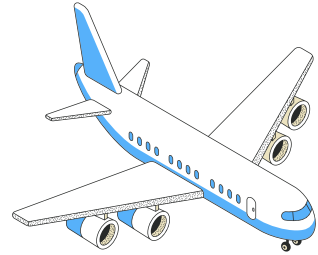

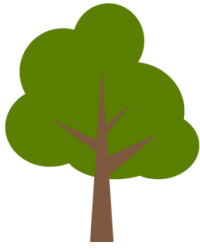

Como sugerencia puedes ir diciendo las distintas palabras de varios cartones y que los alumnos vayan señalando las que tienen.

Otra opción es solo con un cartón ir diciendo palabras que empiecen con esa letra o incluso, basándote en estos hacer otros similares para ampliar el juego.

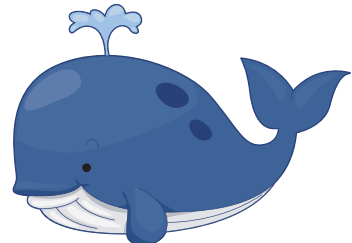

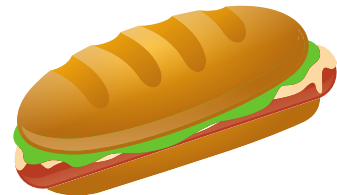

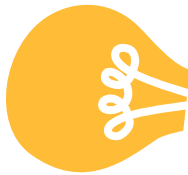

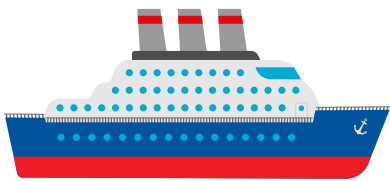

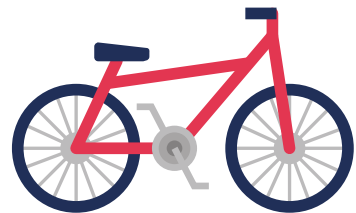

Como en otras ocasiones, si lo usas, me gustará que puedas compartir en tus redes y etiquetarme.
